In addition, the town may request from the court an order that the violator correct or abate the violations, and that the violator pay its reasonable attorney fees, expert witness fees, and costs. Each day that the violation continues constitutes a separate offense.

The municipal officers are hereby authorized, in lieu of formal court action, to enter into a consent agreement with any violator which would provide for the correction or abatement of the violation and may provide for the payments specified above.

8.3. Revocation or Suspension of Permit
Violation of any condition, restriction or limitation inserted in a permit by the municipal officers or county commissioners is cause for revocation or suspension of the permit by the same authority that issued the permit. No permit may be revoked or suspended without a hearing and notice to the owner or operator of the automobile graveyard, recycling business or junkyard. Notice of hearing must be sent to the owner or operator by registered mail at least seven (7) but no more than fourteen (14) days before the hearing. The notice must state the time and place of hearing and contain a statement describing the alleged violation of any conditions, restrictions, or limitations inserted in the permit.

Any licensee, who has requested a permit and has been denied or whose permit has been revoked or suspended, may within thirty (30) days of the denial, suspension or revocation, appeal the decision to the municipal Board of Appeals as defined in Title 30A MRSA, Section 2691. The municipal Board of Appeals may grant or reinstate the permit if it finds that the permitted activities would not constitute a detriment to the public health, safety or welfare, or that the denial, revocation or suspension was not based by a preponderance of the evidence on a violation of any ordinance, article, bylaw, or rule or regulation of the municipality and/or was issued in an argumentative and capricious manner.

Section 10. Effective Date and Amendment

This ordinance shall become effective on the date of adoption and may be amended by vote of the legislative body.
