6. TAX ABATEMENT REQUEST - REAL ESTATE ACCOUNT #757

Ms. Therrien advised the Board that a property owner (Malcolm Donavan - Account #757) is requesting a tax abatement in the amount of $278.48 due to a tax assessor error because of the assessment of additional acreage to the property owner. Ms Therrien noted that the tax assessor corrected the mistake on this account for 2019 and issued an abatement of $305.97 to correct the tax bill for 2018 but she explained that Maine tax law provides that municipal officers may only abate taxes for up to three years after the date of commitment in the case of an irregularity or illegality. The Board discussed how to proceed. Mr. Rolfe noted his dismay that a taxpayer is penalized for a mistake clearly made by the tax assessor. Ms. Therrien explained that property owners are responsible for checking their tax bills. Mr. Rolfe continued to note his unease even though he pointed out that there was nothing further that the Board could do to rectify this mistake.

On a motion by Paula Johnson-Rolfe, seconded by James Jackson, the Board

Ms. Georgia Kendall reviewed statistics of smoking, she advised the members of the Board that they could consider three different levels of policy to implement, and she distributed informational brochures.

Ms. Therrien advised the Board that she found nothing referring to a smoking policy in the town's established policies. Mr. Rolfe suggested that it could be an opportune time to consider a model policy; he asked that this item be kept on the Board’s agenda for continuing discussion. Mr. Rolfe noted that the Board may reach out to Healthy Acadia again based on the Board’s decision to develop a town smoking policy. Mr. Rolfe thanked Healthy Acadia for the presentation and information.

Ms. Therrien suggested the possibility that the Board could look at contracting with the County and sharing resources in refilling this position. Mr. Rolfe commented that the Board would need to approach this suggestion with caution since the school resource officer position is funded fully by Machias taxpayers. Ms. Johnson-Rolfe added that there could be issues of liability with partnering with the County on this position which should be discussed with the sheriff.
