To Machias Planning Board

I was recently treated at cardiac unit in Bangor (Mar 2021)

I will not be able to shovel or clear my car. I want to connect garage to my house. I do not have 35 ft for set back.

I am requesting a variance.

The building is a prefab and has been delivered but not sited.

I am the last house on the street and will not interfere with plowing as I currently supply the town with turn around space all winter.

Thank you for your consideration
