Dear Mr. Donovan:

The State of Maine Department of Transportation owns the railroad right-of-way which passes behind your property at the end of Bowker Street in Machias. The right-of-way is 66 feet wide at that point - 33 feet either side of the center of the existing tracks. Per our phone discussion last week, the Department has no objection if you construct a home on a location that may be as close as one (1) foot from the railroad property line.

If I can be of further assistance please advise by mail or by phone at 287-2841.

Sincerely,

MAINE DEPARTMENT OF TRANSPORTATION
