A handwritten signature in black ink that reads "Paula Johnson-Rolfe". The signature is written in a cursive style with a large, looped initial 'P'.

Re: Building permit revision

I am requesting a revision to the building permit issued to me on August 7, 2019. I am requesting the building size to be revised to 20' x 32' from 14' x 30'.

The attached map shows the location of the proposed new building with property lines indicated.
