Notes:

The depiction of the shoreland zoning districts on the shoreland zoning map for the Town of Machias are merely illustrative of their general location. The boundaries of these districts shall be determined by measurement of the distance indicated on the maps from the normal high-water mark of the body of water or the upland edge of wetland vegetation, regardless of the boundary shown on the map.

Shoreland zoning lines are based on maps and information provided to Eastern Mapping Services by the Town of Machias.
